

YOUR PREMIER PROVIDER OF Custom Wire Harnesses & Cable Assemblies

At Heartland Harness, we deliver high-quality, reliable solutions tailored to your unique needs. Our commitment to excellence ensures every product aligns with the highest industry standards.

OUR CAPABILITIES

- **Custom Wire Harnesses**
Designed and manufactured for diverse applications to meet specific requirements.
- **Cable Assemblies**
Durable, efficient assemblies crafted using advanced techniques.
- **Mechanical Assemblies**
Integrated solutions to enhance product functionality.

ADVANCED TECHNOLOGY

- We utilize cutting-edge equipment for precision and quality:
- **Automated Wire Processing Machines** for accurate cutting and terminating.
 - **Ultrasonic Welding Equipment** for strong, reliable connections.
 - **Braiding Machines** for organized, protective harnesses.
 - **Heat Shrink** for superior insulation and protection.

INDUSTRIES WE SERVE

- **Agricultural Equipment Manufacturers**
Robust wire harnesses for demanding environments.
- **Industrial Engine Suppliers:**
Seamless, customized solutions for engine systems.
- **Heavy Duty Equipment Manufacturing**
High-performance harnesses for heavy-duty machinery.

WHY CHOOSE US?

- **Customized Solutions** tailored to your needs.
- **Advanced Manufacturing** with consistent, high-quality outcomes.
- **Quality Assurance** through rigorous testing.
- **Timely Delivery** from centrally located facilities.

Partner with Heartland Harness for your wire harness and assembly needs and see what sets us apart!
